- “Graduates employed in the field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes and applicable educational program..
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- ”Number of Students Taking Exam” is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.
- “**First Available Exam Date**” is the date for the first available exam after a student completed a program.
- ”Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- ”Number Who Passed First Available Exam” is the number of students who took and passed the first available licensing exam after completing the program
- ”Salary” is as reported by the graduate or the graduate’s employer. Not all graduates report salary. In the reporting years all students who graduated were international students without eligibility to seek employment in the United States.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.
